HERD HEALTH

All bulls will pass a breeding soundness exam (BSE). Cattle will have the proper health certificates for immediate shipment. All bulls are BVD PI free, trich tested, virgin bulls, fed and developed on forage based diet. Bulls have been dewormed and boosted for blackleg, respiratory, and vibrio leptos.

TERMS AND CONDITIONS

The cattle will be sold under the standard terms and conditions of the American International Charolais Association. All announcements from the auction block will take precedence over all printed materials.

SALE SETTLEMENT

All cattle are to be settled for prior to load out unless arrangements have been made with Nipp Charolais.

LIABILITY

All persons attending the sale and related functions do so at their own risk. Nipp Charolais assumes no liability, legal or otherwise, for any accidents that may occur.

VIDEOS OF CATTLE

Videos of cattle will be available at Superior Livestock and Nipp Charolais websites.

Catalog and Advertising By The Hollida Company, 903/316-8465

Welcome to our Fall Production Sale. With record high calf prices and a slightly better growing season for most of this year, it is pretty easy to feel upbeat about being in the cattle business.

As you look through this year's bull offering, you will find a set of breeding age bulls that are fit and ready to go. Same as always, they have been grown out on grass pastures and limit fed to allow them to develop at their own individual pace. All are PI test negative and have been de-wormed with Valbazen and vaccinated with Ultra Choice 7 for Blackleg, CattleMaster Gold, and Stay Bred V65 as well as having passed a rigorous breeding soundness exam by both Dr. Mike Tripp and Dr. Caleb Plett. Dr. Barker with Professional Animal Health Services will be on site during the sale to issue health papers or answer any questions about the health of the cattle.

Be sure not to overlook the yearling bulls. We continue to have customers request us to put a few yearlings in our sale and this year's are a powerhouse set.

Along with our guest consignors, we are presenting an excellent set of Registered Charolais cows and heifers. Nipp Charolais is again selling every cow that we own that turns six years old in 2024. Some will be pairs by sale day and the balance will have been examined safe in calf by Dr. Plett and Dr. Tripp.

We will also be presenting an excellent set of open heifers. Dr. Bobby West with MW Farms will be presenting an exceptional set of second calf cows. P5 Farms will be bringing a good young bred cow and certainly not the least anticipated in the sale offering will be a prospective donor cow being presented by 4N Cattle Company out of Telephone, Texas. She will sell with her yearling heifer calf who is a standout.

Please join us for lunch on sale day provided by Oklahoma Ag Credit with the sale to follow at 1 p.m. Thank you for your interest. If you need further assistance feel free to contact us at anytime. We look forward to seeing you on sale day.

Audrey, Travis, Addi, Curtiss, Brenda, Kilby, Cannon, Morgan and Justin Nipp

Frontier Feeds

MARLOW, OKLAHOMA

Frontier Feeds Company is a full-service, livestock-feed manufacturer, located at 1801 W. Nabor Ave., Marlow, OK.

Frontier provides feed in 50lb sacks or bulk deliveries.

Any Frontier Feeds product, as well as custom rations, can be delivered in bulk as 3-Ton minimum orders. Custom rations manufactured in 50lb sacks may be ordered as 2-Ton minimum orders. Please call 1-580-721-9548 or 1-580-658-2525 for pricing on any type of feed.

Frontier Feeds offers a complete line of cattle mineral and feed, including commodity blends, cubes and pellets. We manufacture our ¼" Creep Pellets and AN Cattle Cubes with a protein content range of 14% - 37%, including a 34% Hi-Fat Cube or Pellet. Frontier's EZ Creep Pellet is formulated with Availa 4 and Bovatech to be a nutrient-dense, energy-packed pellet with 16% Protein, 3% Fat, & 13% Fiber. You can expect improved health, larger gains, and less overall stress at weaning when using EZ Creep. Frontier EZ Graze Mineral contains the proper balance and ratio of essential cattle minerals. EZ Graze is available with or without Medication and/or IGR/Fly Control. Frontier's cattle feed and mineral is formulated to meet the nutrition requirements of cattle throughout the stages of development. In addition to our standard line of cattle feed, we have the capability to manufacture custom rations, pellets, and cubes upon request. Frontier focuses on providing top nutritional quality feeds with strict quality-control production methods. Our quality feeds and minerals assist our producers in achieving maximum results within their livestock operations.

Frontier manufactures a full line of pig feed centered around gut health and efficiency. We produce high-quality sow cubes, ground gestation and lactation diet, 2 types of commercial grower diets, and baby pig feed. Frontier's full line of baby pig feed includes a ground blend and medicated/non-medicating pellets of Pre-Starter, Starter 1 and Starter 2. Frontier manufactures all pig feeds in-house as a ground blend using Ralco's proprietary technology to enhance gut health by increasing populations of good "gut" bugs and decreasing bad "gut" bugs. The exception is the pellets used in our full line of baby pig feed and the sow cubes. In addition, Frontier is the regional manufacturer for Ralco & Lindner Show Feeds.

Equi-Grain is Frontier Feeds' line of 5, premium, house-blended feeds. The different Equi-Grain rations have been carefully formulated to cover all classes of equine and their nutritional needs year around. Each blend has been designed with the same basic ingredients to ensure an easy transition between feeds to fit the changing pasture conditions, workloads, or your aging equine. The entire Equi-Grain line is formulated with Element. Element is a special blend only found at Frontier Feeds. With the addition of Element, we can ensure consistent blends and unbeatable quality. Element is in a pellet form making it the ideal "element" to produce quality mixtures. This feature is packed with vitamins, minerals, chelated trace minerals, and digestive aids. Element is the foundation of our equine line and is designed to provide consistency and support equine nutrition.

As a full-service agriculture provider, Frontier Feeds provides a wide range of products and services to match the needs of your farm or ranch. We offer EnergiPlus Livestock Supplements, animal-health products, pet food, bird seed, non-Frontier show feeds, show supplies, & farm supplies.

ABSENTEE BIDDING ON SUPERIOR

Livestock Auction

PUREBRED PLATFORM

Bid.SuperiorLivestock.com

VIEWING THE AUCTION ONLINE

The auction will be broadcast online at Bid.SuperiorLivestock.com and the pre-recorded videos will also be hosted there prior to and on sale day. You do not need an account or login just to watch the auction.

ONLINE BIDDING

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account if you wish to bid (there is no registration required just to watch the auction). Once you have created an account, request a buyer number and you will then be able to bid online with the largest and most trusted

cattle marketing entity in North America. Superior's new platform allows you to see both the live stream of the auction AND the pre-recorded videos on one screen at the same time!

TURN IN BIDS OVER THE PHONE

This is Superior's suggested bidding method for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number and upon doing so you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on.
